

Lindstroms aid Community Foundation

The Smoky Valley Community Foundation has received a \$50,000 distribution from the estates of Clyde H. Lindstrom and Glenn R. Lindstrom. The earnings from this gift are earmarked for issuing grants or to cover SVCF operating expenses.

The Lindstrom brothers were lifelong residents of the Falun area who died in late 2007. Their wills directed their estates to be distributed to charities in the Falun, Marquette

and Lindsborg areas. The foresight of these kind-hearted gentlemen has offered substantial benefit to organizations in the area and the constituencies they serve.

The Smoky Valley Community Foundation is a collection of funds designed to link donors with charitable causes. As a public charity it has served Lindsborg and the Smoky Valley since 2002.
