July 15, 2010

On November 25, 2009 The Children's Center was presented with a check from the Smoky Valley Community Foundation for $1000 to be used towards Preschool Classroom Materials. We were in desperate need of supplies, materials, and curriculum resources and with these funds we were able to add math, multiculturalism, pre-reading, physical activity, language, phonics, dental health, sensory motor development, small motor development, large motor development, art and problem solving skills to the classroom.

We are very grateful for the Foundation and all of its donors.
