Smoky Valley Community Foundation compiling 2010 Gift-Giving directory

The Smoky Valley Community Foundation is putting together a Gift-Giving directory for the holiday season. The directory will contain information about each nonprofit organization that has applied, as well as a wish list from that organization. Wish lists can be as different as the organizations, with everything from crayons to microwaves to vans to volunteers. Once the directory is ready, the Foundation will distribute it to donors and others to encourage charitable giving to our non-profit organizations.

The Foundation offers the directory as part of the Foundation's efforts to fulfill its primary mission – to improve the quality of life of the local community.

Applications for the directory are available online at www.smokyvalley-cf.org or you can email a request for a form to jennystack@gscf.org. The deadline for completed applications for this year's catalog is September 30, 2010.
