The Word of the Year: GROW

The Foundation could not exist without donors. Every year the Foundation is blessed with gifts from a multitude of generous donors. Gifts go to a variety of funds in the Foundation. Some donors contribute large amounts, some small. We treat each with equal gratitude.

Organization Funds

The Foundation serves nonprofit organizations in many ways. One significant way is through organization funds. These endowments provide ongoing operational support for local nonprofits and are also a vehicle for donors who want to make a gift that will provide permanent support for their favorite charity. Grants from these organization funds are requested by the nonprofit and can be used for any purpose that furthers their mission.

Designated Funds

Designated Funds are the simplest form of charitable giving. Donors establish an endowed fund for their favorite charity or charities. The Foundation administers annual grants from the fund in the donor's name, in perpetuity. In the event a designated charity no longer exists the Foundation ensures that annual gifts are redirected to an appropriate charitable need, all the while keeping in mind the donor's original intent.

Planting the Seed—Founders

Each of our founders, through gifts to the Foundation—gifts of resources; and each of our board members and board alumni through gifts of time, expertise and compassion has helped to plant the seeds of the successful year outlined in this report. And we know that the trees they have planted and are planting, are continuing to grow, and the forest will one day be thick.
